Dear O M :

Do you remember our last QSO Party? If you attended you will say you ll never forget it, and we are going to show you that they get bigger and better every year. Here's some advance information about the 1931 QSO Party.

The enormous attendance last year proved to us that we can depend on the gang being there if we give them their money's worth so we have made up our mind to throw a party that will beat them all. Because of the embarassment to many of the boys last year caused by the enormous last-minute attendance we are going to ask that reservations be made on the enclosed card at once, another reason for sending in your reservation promptly is that you will save 50 cents if you send it in before April 18th. Advance reservations are \$2.00. After April 18th and at the door they will be \$2.50.

Now perhaps you will want to know what you are going to get for your money. If you've attended our parties you dont have to ask, but if you have yet to be initiated we'll just say that first of all you're going to get a real meal, our own brand of refreshments, an evening chock full of surprises and entertainment that will make the high frequencies chase up and down your spinal column.

Remember the prizes we had last year? We have more sur-prizes for you this year. There will be a prize for the winner of the Liars' Contest, for the best characterization of the Old Man, for the best song rendered by visitors or the best stunt performed for our amusement. Get your gang together and drop a line to W9VD Program Chairman, who will give you a place on the program to do your stuff. And last but not least we will have a Grand Prize which will be drawn by lottery from the ticket stubs.

At last year's QSO Party we made reservations for 75, because advance reservations gave us a poor indication of the attendance expected. There were actually 180 present. That is why we are asking you to send in your reservations at least a week in advance of the date.

The 1931 QSO Party will be held at the same place as last year, Club Room, Hotel Pfister, April 25th at 6.30 PM.

So pass the word along, tell every op you work about it and let's make this 1931 QSO Party oscillate to the Nth degree.

73s and C U April 25th,

Milwaukee Radio Amateurs' Club Inc.
